

## Heritage Tourism: Laser Scanning at the House of Refuge

East Central Region Staff along with HMS Database Manager, and House of Refuge Staff laser scanned the House of Refuge Midden site to meet grant requirements for a Division of Historical Resources Special Category Grant. The scan data will also be used to for virtual heritage tourism for the museum.

## **Staff Development: East Central Office Closure**

The East Central Region office was closed due to budget cuts. The office at Venue 1902 in Sanford Florida was the regional office for 3 years. The East Central Region will not have a physical office in the region, but will serve the region from Flagler College, the region's host institution.
